Question #1: Section L, Factor 2 - Management Approach: This requirement has a Page Limit of 3 pages, but requires detailed description of Staffing Plan, Personnel Training, Transition Plan, and Organization Structure. Addressing these topics will require more than three (3) pages. Can the Government increase the Page Limit for Factor 2 to at least five (5) pages?

Submitted By: David M Roden **Response Date:** 11/18/2016
5:17:18 PM

Answer: The page limit for Factor 2 - Management Approach, is increased from three (3) page to four (4) pages. The solicitation will be amended at a future date to reflect this.

Question #5: Section L-2, Identification and Type of Subcontract, page 33 states that Subcontractors with an adequate accounting system for cost reimbursement type SHALL be proposed CPFF. Would the government consider allowing the Prime Contractor to select the type of subcontract (e.g., CPFF, FFP or T&M)? Suggest this section be changed to Subcontractors with an adequate accounting system for cost reimbursement type MAY be proposed CPFF.

Submitted By: David M Roden

Response Date: 11/22/2016
9:53:03 AM

Answer: No changes will be made to this requirement.

Question #6: SOW sections 3.1-3.14 (Att. 1) provide security clearance requirements for each technical support areas. However, the technical support areas do not directly map to the labor categories in the RFP cost template (Att. 8). Will the Government please map the labor categories to the technical support areas and the quantity of labor category FTEs that support each technical support area?

Submitted By: David M
Roden

Response Date: 11/30/2016
4:30:54 PM

Answer: The Government will not provide a mapping of labor categories to the SOW sections.

Question #7: The Reference Information Sheet (Att. 6) has an instruction stating "Offerors are not to change the spatial structure of this form, i.e. borders, block size, font size, etc.)". Section L states that all factors of the technical proposal shall be combined into one PDF with a font size of 12-point Times New Roman. Should the font size remain at 8-point Times New Roman in Att. 6 or should the font be 12-point Times New Roman like section L?

Submitted By: David M
Roden

Response Date: 11/23/2016
10:05:54 AM

Answer: The font shall remain 12-point Times New Roman Font per L-2(b).

Submitted By: Ryan Rowe - Mid Atlantic Professionals, Inc. **Submission Date:** 11/22/2016 12:04:46 PM

Question #8: The Technical Capabilities and Experience Matrix (Att. 5) only includes columns for technical areas 3.5 through 3.14. Please confirm that the matrix should include all technical areas, 3.2 through 3.14.

Submitted By: David M Roden **Response Date:** 11/23/2016 10:06:50 AM

Answer: The SOW technical areas listed in Attachment 5 match what is listed in L-2(c)(4) for Factor 1.

Submitted By: Ryan Rowe - Mid Atlantic Professionals, Inc. **Submission Date:** 11/30/2016 2:55:57 PM

Question #9: Given that Question 6 has not been answered, and is materially important for the proposal response, we respectfully request a 7 day extension to the proposal due date following the answer to Question 6.

Submitted By: David M Roden **Response Date:** 11/30/2016 4:31:21 PM

Answer: An extension will not be granted.
